EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Nathaniel T. Wallace (the Undersigned Attorney, Reg. No.48,909) on 8/3/2006.

The application has been amended as follows:

IN THE CLAIMS:

Please **cancel** claims 1-7, 16, 18 and 19.

Please **amend** claim 8 as follows:

--8. (Currently Amended) A computer-implemented method comprising the steps of:

representing a social proxy [[in an abstract graphical display]] of a marketplace in an abstract graphical display for facilitating consumer interaction through visual presentation of interactions, wherein the abstract graphical display of the market place is an auction proxy including concentric circles, an inner most circle for displaying auction information, an inner circle for indicating user bidding activity, and an outer circle for indicating user interest;

defining a consumer proxy of a consumer, the consumer proxy having updatable variables;

Art Unit: 2151

displaying the consumer proxy within one of the inner circle and the outer circle
of the abstract graphical display of the marketplace; and

updating the consumer proxy variables periodically, wherein the consumer proxy
moves within the auction proxy according to changes in the consumer proxy variables.--

Reason for allowance

2. This communication warrants no examiner's reason for allowance, as applicant's reply makes evident the reason for allowance, satisfying the record as whole as required by rule 37 CFR 1.104(e). In this case, the substance of applicant's remarks filed on 6/9/2006 with respect to the added claim limitation point out the reason claims are patentable over the prior art of record. Thus, the reason for allowance is in all probability evident from the record and no statement for examiner's reason for allowance is necessary (see MPEP 13202.14).

Allowable Subject Matter

3. Claims 8-14 and 17 are allowed.
